

Dear Villagers,

Summertime and school holidays are here so we have updated our menu to cater for the shift in summer eating habits. We still have some of the more popular dishes on the menu and we have introduced a firm summertime favourite of pizza with your choice of toppings! Most items are available for takeaway too so do check out our menu below. Please also note we are closed for dinner on Tuesday/Wednesday and that we are open seven days for sweet treats of scones and cakes.
